

Addison Family Buddy Program

New to Addison? To help you get off to a great start, we can pair you up with a veteran family! This family can act as your personal reference - answering your questions, filling you in on what's happening, and helping you feel comfortable at Addison as soon as possible.

Returning Addison family? Help make the school year a bit easier for a new Addison family! You can make a big difference in a new family's start at Addison with even a few simple phone calls.

To participate, please e-mail this requested information to Anne Harrison (anneharrison@mac.com) as soon as possible!

Please drop off your completed form after school starts, in the office (in the "Buddy" envelope just inside the door).

You will receive details about your match - and suggestions for connecting - as soon as possible. We will try to pair up families having similar gender/age children.

Indicate one:

- I am a **new family** who would like a buddy family.
- I am a **returning Addison family** interested in buddying-up with a new family.
